

is a rechargeable service specifically designed for our consumers in Japan.

You can make calls from home, office, mobile phones, public phones and when you travel saving up 80% off the rates applied by local PTT and mobile operators.

Japan Direct is a pre-selection service that you can access to our satellite backbone simply dialing our access number in Tokyo to be immediately prompted to dial your destination number.

Japan Direct offers you competitive rates for your long distance communications needs.

The service allows you to access to our global roaming wireless services to reduce your communication' costs when you travel saving up **80% off local PTT World, mobile operators and hotel rooms**. You can access our network from over 200 International Country by dialing our 800 Toll-Free Access. JTMC SaT Telecom backbone network can be accessed also via the prestigious network of AT&T Direct.*

Next time you travel, don't forget to place in your passport our wallter card.

You can use Japan Direct from:

- ▶ Regular Line
- ▶ Mobile Phone
- ▶ Internet
- ▶ Public Phones
- ▶ Hotel Rooms

without territoriality restriction.

* AT&T is a registered trademark owned by American Telegraphic & Telecommunication.
