

**World™** is a rechargeable service specifically designed for individual and corporate consumers with an high volume of telephone traffic concentrated to four world destination numbers.

World 4 offers you to reduce dramatically your costs starting from the first minute of your call with access to competitive rates that usually we supply for largest consumers with high telephone traffic usage.

World 4 supplies you easy calling platform to complete your calls. You will not need to dial your correspondent number, but simply the speed dial number assigned to its number which allow you to complete your calls within seconds.

World 4 breaks down your telephone bill up 80%. As an example if your telephone bill today is US\$ 500 with your local PTT, with World 4 you may arrive to pay US\$ 100.

You can use World from:

- ▶ Regular Line
- ▶ Mobile Phone
- ▶ Internet
- ▶ Public Phones
- ▶ Hotel Rooms

World 4 is available only in the following country:

- ▶ **For Europe**  
Austria, Belgium, Denmark, France, Germany, Italy, Netherlands, Norway, Sweden, Switzerland, United Kingdom.
- ▶ **For Asia**  
Hong Kong, Japan, Singapore.
- ▶ **For Africa**
